The Renaissance School of Art & Reasoning

Student Handbook

School Information

History and Mission

Renaissance School of Art and Reasoning is a Lake Washington School District “Choice School” serving 6th through 8th grade students. The school was founded in 2006 by teachers who envisioned an engaging and challenging academic environment that would meet the needs of middle school students. At Renaissance, students develop in an environment of artistry, rigor and warmth. They learn to think and act using multiple approaches and perspectives. They are known and nurtured as important individuals who have an active concern for their community and society.

Enrollment Policy

Renaissance School is open to any student in the Lake Washington School District. Families who value a challenging academic environment, an integrated curriculum, an emphasis on school community, extensive parent involvement, project-based learning, community stewardship and the arts, mathematics and science choose Renaissance School for their middle school experience. Students enroll through an application and lottery process. An information night is held in January, providing parents and students with an in-depth picture of our school. Applications are available at that meeting and on the LWSD and Renaissance websites.

Decision Making

The staff, with input from the students and parents, takes responsibility for the major decisions affecting the school. The Renaissance staff includes the teachers, principals and, in some cases, a counselor. Considerations are brought to students for input and explanation. Staff, students and, when appropriate, parents use the consensus approach to develop guidelines and to make day-to-day decisions for the school. Although the consensus model is more time consuming than simple majority rule, everyone learns to listen, propose alternatives, and compromise. The responsibility to solve problems when they arise in our community lies with everyone and everyone will reap the benefits of the final outcome.

Guilds

Students are assigned to a Guild, a smaller group of students assigned to a particular teacher for the three years they attend Renaissance. Guilds are similar to advisories or homerooms. Guilds develop a sense of belonging, provide opportunities for shared leadership, collaboration, and individual support for students. During Guild, students develop collaboration skills through group projects, communication skills through opportunities to make decisions, goal setting skills,

social skills, and reflecting skills. We also address health education and Career Cruising – career exploration and planning in Guild. Finally, we celebrate the students in our guilds through Raven of the Month and birthday celebrations. Most importantly guild is a place, through all of these experiences, that we enjoy spending time together. Guilds play a vital role at Renaissance by providing opportunities to develop positive peer interaction and providing a resource and forum for problem solving and conflict-resolution.

Parent Involvement

Family involvement is highly valued and very important at Renaissance. As such, families are asked to contribute 25 volunteer hours each year at Renaissance. Volunteer options include, but are not limited to, copy services, lunch supervision, being a field trip chaperone, dance chaperones and classroom helpers along with many other opportunities. Parents may choose to share their talents in classes and organize activities occurring beyond the school day. Parents can watch for opportunities through VolunteerSpot which logs their hours. Families who are unable to fulfill their 25 volunteer hours have the option to “buy-out” their hours at \$10.00 per hour.

Parent Contribution Fee

Each family is asked to make a **\$200 Parent Contribution** per student, Renaissance does not conduct traditional Associated Student Body (ASB) fundraisers throughout the year. In lieu of requesting financial support for student activities through traditional ASB fund raisers, Renaissance families are asked to contribute a flat sum of \$200 per year to fund extra projects and excursions typically funded through school ASB fundraisers. Scholarship funds are always available to those with demonstrated financial need.

Student Led Conferences

In November students meet with families to share portfolios, reflect upon their progress and set and revise goals. Current state guidelines require that students demonstrate proficiency in order to meet the standard at established levels in their learning. We have adopted the state’s 4 point scoring model where a “3” indicates “at the standard.” To score a “3” a student must show proficiency in performing a skill or demonstrate a significant grasp of knowledge.

School Policies

Expectations

For healthy development and successful learning to occur, our students must feel safe. Real safety only comes through building an inclusive school community in which diversity is honored and all

students are welcomed. Basic district expectations for maintaining a safe environment follow this section. We believe the most important step in creating a safe school is empowering students to develop and uphold their own agreements and ground rules. Parents and school staff have a joint responsibility to communicate, encourage, and follow through with the agreements and ground rules. It is the students' responsibility to respect the rights of others to learn in a safe and caring environment. Cooperation among all groups is necessary to achieve the following goals:

Class Expectations

1. **Be Prepared:** Take Care of Yourself
 - * Come to class on time
 - * Bring all required materials
 - * Check Power School (Haiku) everyday
 - * Turn in completed assignments
 - * Follow teacher directions, classroom procedures and school policies
2. **Be Empathetic:** Take Care of Others
 - * Work quietly so all can concentrate on their work
 - * Keep hands, feet, objects and negative comments to yourself
 - * Be kind, helpful and friendly to others
3. **Be Responsible:** Take Care of Our School
 - * Keep tables clean
 - * Return materials to the proper place
 - * Leave our classroom neat and tidy
 - * Treat our classroom and materials gently
4. **Be persistent:** Take ownership of your learning
 - * Never give up on making sense of work
 - * Take risks; mistakes are part of the learning process
 - * Complete and turn work in on time
 - * Ask for help

Upholding Agreements and Procedures

Staff Responsibility

Realizing not all unacceptable behaviors can be specifically identified in written expectations, staff will teach self-assessment and self-control by following these instructional discipline procedures:

1. Staff members reinforce behavior expectations for the classroom/school.
2. Staff members teach students how to self-monitor and adjust behavior appropriately.
3. Students will be assessed on their knowledge of the behavior expectations for the school.

The following are the procedures that staff will follow consistently to assist students in changing behaviors that do not promote a safe learning environment.

1. For a first violation, the student will reflect on the behavior through a conversation with the teacher.
2. If the unacceptable behavior continues, the student will take a time out in the office and complete a Time-Out form to process what is challenging him or her. A copy of the form will be emailed to parents.
3. A third instance of the unacceptable behavior occurring will result in a meeting with the student, teacher, parent and potentially an administrator. At this time a behavior contract may be needed.
4. If the student violates the behavior contract, the student will be referred to the Associate Principal to determine a course of action.

The above are the procedures to be followed under school jurisdiction and authority, which includes student conduct to and from school, on school campus and at any school sponsored activity. Also included in the school's jurisdiction is any off-campus student speech or activities which school authorities have reason to believe will interfere with the work of the school or impinge on the rights of other students or staff at school.

Consequence options include, but are not limited to:

1. Conference with the student outside of school hours to come to an agreement concerning what is acceptable to all parties.
2. Time out of the classroom with the expectation that the student is responsible for any instruction/work missed.
3. Natural consequences – the consequence is closely aligned with the problem.
4. Further consequences will be determined by law, school district policies, and the judgment of the administrator. These may include short or long-term suspension.
5. Student misconduct of an extreme nature will require immediate action. The student will be removed from the classroom and directed to the office.

Student/Parent/Teacher Communication

Parents are welcome to contact the staff at school should a concern arise. Student well-being is at the heart of our work here at Renaissance and open communication is a critical component of this. Because they are devoting full attention to working with students during the school day, teachers are not available to answer phone calls or email messages. They will respond in a timely manner to messages within 72 hours. A three-way conference between the student, a staff person and a parent may be arranged to discuss the concern. Should a parent require a private meeting with a staff person, it should be pre-arranged, so full attention can be given to the concern.

Daily Schedule

School begins at 7:30 a.m. and dismisses at 2:00 p.m. Monday, Tuesday, Thursday and Friday. Each Wednesday is Early Release Day, with dismissal at 12:30 pm which begins on Wednesday, September 12th. Teachers are available to work with students from 7:00 a.m. to 7:20 a.m. and from 2:00 – 2:30 p.m. on most days. Early Release Days provide teachers with team planning time. Class schedules will be provided at Back-2-Business Day and are posted in each classroom.

Transportation

Families are responsible for transporting students and may choose to set up carpools with others in their area. Students may meet the Eastlake High School bus at scheduled stops. Students choosing to use Metro may make arrangements for passes to use when travelling to and from school.

Medication

If a student needs to take any prescription or over-the-counter medications during school hours, a staff member must administer it. The school must have a written authorization form on file, signed by a parent/guardian and the prescribing physician or dentist. A parent may not call in, or send a note, authorizing use of medication, but may come to the school and administer it personally. An additional form is required if the student will carry the medication her/himself. This is generally limited to epi-pens and asthma inhalers. These forms are available from the Renaissance School office, and must be filled out each school year.

Medications are kept in a locked drawer in the school office, next to the Health Room. They must be in the original pharmacy or manufacturer's container and labeled with the following information:

- Name of student
- Name of medication
- Dosage, mode and time of administration
- Name of physician prescribing medication

Health Room

Students must sign in and out with the school office manager, identify the health concern, and either return to class within 20 minutes, or be picked up by a parent/guardian. A student must be picked up immediately if he/she has a fever or is vomiting. Please make sure your child's emergency contacts are up to date in the event she/he needs to go home and you are not available.

Attendance

Excused Absences

The school will determine whether absences or tardies are excused. Excused absences (based on Washington State Compulsory School Attendance and Admission Law, RCW 28A.225, also called the "Becca Bill" and LWSD Policy) include the following: illness, medical appointments, family emergency, religious holiday, school-related field trips, suspensions, or other prearranged absence. *If insufficient reason for absence is provided, the absence will be considered unexcused.*

In the case of serious illness or emergencies, please notify the school at **425-936-1544 by 8:30 a.m.** Absence from school or class without the knowledge and consent of either parents or

school authorities is truancy. A written excuse or phone call from a parent is needed for any student who must leave campus during the school day.

Please try to schedule all personal appointments (e.g., doctor, dentist, orthodontist) on Wednesday afternoons. Most of the work of students is directly related to class discussions, peer and teacher feedback during class, and material presented in class. It is very difficult to replicate this learning

Unexcused Absences/Becca Bill

Any absence that has not been deemed excused by the school will remain unexcused. Examples would include: oversleeping, missed bus, traffic, homework, shopping, babysitting, planned trips not pre-arranged through the office, or other absences that could be planned outside the school day. As mandated by Washington State law, the “Becca Bill”, students who accumulate seven unexcused absences in 30 days or 10 unexcused absences in a school year will be referred to the King County Juvenile Court System. The Court may impose sanctions on the student and/or the parent or guardian.

Excessive Absences or Tardies

Because regular attendance is both an expectation and a critical component of school success, parents or guardians of students who exceed 4 unexcused absences in a semester will be sent a letter of concern. Parents/guardians and students who exceed 7 unexcused absences in a semester will be required to meet with the Assistant Principal; contact will be made with the LWSD Becca Coordinator for referral. If a student exceeds ten total absences (excused and/or unexcused) in a semester, the school may require documentation to verify the excessive absences. Unexcused tardiness to school will result in the assignment of detention or school service.

Tardiness

Students arriving late must check in with the office manager in the Renaissance office. If there is a legitimate reason for being late to school, the parent must call or send a written excuse within 24 hours. If a student arrives more than 20 minutes late and is not excused, it is considered a skip. Students are expected to be in their classrooms on time and prepared to begin working. Chronic tardiness, whether excused or unexcused, is a disruption to the learning environment of all students. The school office maintains records of student tardiness. An excessive number of tardies will result in a conference with teachers and/or principal to problem solve.

Picking Up Early

Students leaving before dismissal time should take a note to the school office in the morning prior to the start of class. They will receive an early dismissal slip to give to their teacher. While it is understood that an unexpected situation may arise that requires a note to be delivered to a student, it is a disruption to the class when this occurs.

Please inform your student of any plans that may require a release form and remind your child pick these up from the school secretary outside of class times.

Homework Policy

Should students be absent from school for any reason, they should consult Power School Learning (Haiku) for what occurred the day or days they were absent. Please make sure to connect with your teachers for clarity around missed assignments. Upon return from an excused absence, students will have the number of days absent plus one to turn in make-up work, e.g. if a student is absent two days and the class had one day, the student would have three days to make up the missing assignments. Students are responsible for monitoring their missed assignments, as well as knowing the due dates.

Lunch Procedures

Students may purchase food in the Eastlake Commons cafeteria or bring their own lunches. Students purchase lunch with cash or use an account. Parents add money to a student's account by sending a check (made out to Lake Washington School District) or cash to the EHS kitchen cashier with their child's name noted on the envelope. Visa or MasterCard payments may be made by calling the Food Services office at 425.936-1393, or going online to www.lwsd.org. Click on the *Student and Families* drop down menu at the top, then select *Parent Access*. Log into Parent Access. On the right hand side of the page you will see a list of links; click on *Breakfast and Lunch* account then follow the directions. You can also download the app on your phone called "My School Bucks".

Those students with a lunch account **will need to have their ASB ID cards on a daily basis**. Lunch will be eaten in the EHS cafeteria under adult supervision. Students are expected to take care of all food-related waste, leave six chairs to a table, and leave the lunch room clean and ready for the next group of students. Electronic devices should be left back at Renaissance during lunch. This avoids damage to devices and expects students to interact face-to-face.

Cafeteria Theft Policy

A student who takes or attempts to take food from the cafeteria without purchasing it is stealing. **Eating food in line and then not paying for it is also stealing!** The following consequences will apply to a student caught stealing in the cafeteria:

- 1st Offense: \$25 dollar fine (if unable to pay, add 5 more hours of school service)
 5 hours of school service/parking lot cleanup
 An apology to the kitchen staff
 Parent or Student/Resource Office conference
- 2nd Offense: 5 day suspension and a police report will be filed.

Academic Honesty Policy

Academic integrity is vital to learning. For this reason, there are serious consequences for students who plagiarize or copy work, in whole or in part, and represent that work as their own. This includes but is not limited to: Sharing test/quiz answers or questions, copying or allowing another to copy papers or answers on assignments, and copying information from the internet

and/or reference books. The penalty for cheating and/or plagiarism ranges from loss of credit on the assignment, to classroom discipline consequences, to a formal discipline referral.

Clothing Guidelines

Students are reminded that their appearance significantly affects the way others respond to them. Matters of dress remain the primary concern of students in consultation with their parents. Student dress shall not be regulated except when there is a reasonable expectation that;

1. A health or safety hazard shall be presented by the student's dress or appearance,
2. Damage to school property shall result from the student's dress, or
3. The student's dress or appearance shall create material and substantial disruption of the educational process at the school.

In terms of this policy, disruption includes, but is not necessarily limited to:

- a. Student riotings, destruction of property, or
- b. Widespread shouting, or boisterous conduct, or
- c. Substantial student participation in a school boycott, sit-in, stand-in, walk-out, or
- d. Other related forms of activity.

The superintendent shall establish procedures for the monitoring of student dress in school or while engaging in extracurricular activities which shall be included in rules and regulations pertaining to student responsibilities.

CELL PHONES, LISTENING DEVICES, NUISANCE ITEMS

Any items that can create disruption or detract from the learning environment should not be brought to school. Such items will be confiscated and additional consequences may be imposed. Items of value, such as electronic devices, cell phones, MP3 players, and iPods should be turned off and left in backpacks during the school day (7:30 a.m. – 2:00 p.m. and including lunch), or in designated classroom cell phone baskets. If students are using any of these items during the school day, they will be confiscated and will be returned to the students or to parents, as deemed appropriate by administration. Other items, such as rubber bands, action figures, balloons, darts, toothpicks, playing cards, etc. will not be returned.

BACKPACKS

Students may not bring roller-backpacks of any kind to school. Student backpacks **must be kept in the assigned cubbies and remain there throughout the school days.** Backpacks may not be left in classrooms.

Fees

Each student will pay an ASB fee of \$20.00 when ASB cards are distributed at the beginning of the year. If the card is lost, a replacement fee of \$20.00 will be charged. Replacement fees for books and/or materials, lost or broken, due to carelessness or negligence vary depending upon the cost of the item. Remember, ASB cards will be *required* to purchase lunch.

Zero Tolerance Policy

Renaissance School, as well as Eastlake High School, has no tolerance for *any* act of violence. Fighting or physical assault of any kind is prohibited at school and school events. A student involved in such action shall be suspended from school. Included in the Zero Tolerance Policy are acts which occur while involved in activities of group affiliation that have the effect of causing intimidation, harassment, physical harm to students or staff, disruption to the educational process, or that cause damage to school property.

Renaissance School Dances

Our student dance committee, staff and parent volunteers put a great deal of time and effort into planning our dances. They are great opportunities for students of all grade levels to mingle, enjoy good music and time spent with friends. Everyone is encouraged to attend whether they come to dance or simply to socialize as part of our school community.

In order to plan accurately for the number of students attending our dances, and in order to ensure the safety of our students, we have some specific guidelines regarding our dances:

- Generally there are three Renaissance school dances per year.
- All dances are parent and staff chaperoned.
- Students bringing a guest must have a signed Parent Permission Form for their guests in order for them to attend.
- Students must observe the school dress code at the dance. Students dressed inappropriately will not be admitted.
- Students are expected to dance in an appropriate and safe manner.
- Students arriving after the dance has begun must be checked in by a parent; students wishing to leave the dance prior to the end time must be checked out by a parent.
- Students must be present at school the day of the dance for at least half the day in order to be eligible to attend the dance.
- Only Renaissance students and their middle school guests, who have turned in signed Parent Consent Forms, will be admitted to the dance.
- Students should have their rides prearranged to pick them up promptly at the end of the event. The driver must pick students up in person at the door.

Introduction

Purpose

The Lake Washington School District's mission is that each student will graduate prepared to lead a rewarding, responsible life as a contributing member of our community and greater society. Furthermore, it is part of the mission of the District to provide a positive, harmonious environment in which diversity is respected and encouraged.

This student handbook is intended to provide all students, teachers, administrators, and parents with access to and an understanding of District expectations. These expectations help to reinforce the District's mission and the core values of a democratic society. They express the value of mutual human respect for each person that we expect to be manifested in the daily behaviors of students, staff, and volunteers

This handbook provides a summary of some of the laws, regulations and District policies that govern student rights, responsibilities, student discipline and due process. Specific policies are referenced by the policy letters (i.e, JF). The complete policies are available on the district website: www.lwsd.org.

Student Rights and Responsibilities (JF)

We believe that for every right there is a responsibility. This responsibility includes the freedom to exercise individual rights in a manner that is not offensive or harmful to others. We trust that students will respectfully accept and adhere to the following:

Rights	Responsibilities
<ul style="list-style-type: none"> • Students have the right to a safe environment free from intimidation, sexual harassment and assault. • Students have the right to a productive learning environment. • Students have the right to clean and safe classrooms, hallways, restrooms and lunchrooms. • Students have the right to safe passage to and from school, and while on campus. • Students have the right to expect staff to help them solve their problems. • Students have the right to engage in the grievance process. • Students have the right to remain anonymous when reporting a violation of school rules. • Students have the right to engage in respectful speech that expresses their thoughts and opinions as long as it is not disruptive to the educational environment. • Students have the right to actively participate in a problem-solving process in order to facilitate successful closure. • Students have the right to exercise freedom of expression as part of the instructional process. However, this right is subject to reasonable limits and may not be used to disrupt the educational environment or interfere with the rights of others. 	<ul style="list-style-type: none"> • Students are responsible for their own behavior. • Students are responsible for respecting the property of other people and school property. • Students are responsible for attending school and all classes daily and on time. • Students are expected to exhibit conduct that is courteous, cooperative, and responsible, and that displays regard for the safety and welfare of others, including students, staff, and substitutes at school and at all school-related activities. • Students are responsible for being prepared for class (i.e. bringing appropriate and necessary materials and books to class on a daily basis). • Students are responsible for informing staff of behavior that may be harmful to an individual or themselves. • Students are expected to make a determined effort to learn. • Students are expected to follow the instructions of teachers and other school staff. • Students are expected to dress appropriately for school in ways that will not disrupt the learning environment or cause safety or health problems.

Attendance

Absences & Excuses (JED, JED-R)

Regular school attendance is important for all students. Chronic or excessive absenteeism, whether excused or unexcused, has been correlated with lower assessment scores and lower graduation rates.

Students may be excused from school, with the consent of their parents/guardians, for medical and dental appointments and to accompany their parents/guardians on out-of-town trips. Additional absences consistent with WAC 392-400-325 will also be considered excused.

Parents or guardians should notify the school in person, by phone, or in writing/email within 48 hours of an absence if they wish to have the principal consider it as an excused absence.

Students who demonstrate chronic absenteeism or tardiness may be required to meet with school staff or the building principal to develop a plan to support the student's educational progress.

All students are expected to remain on campus for the entire school day. There are exceptions for high school students whose parents request that they be excused during lunch and students whose parents request attendance at another school or school-related activity during the school day.

Truancy (JED, JED-R)

Under Washington state's truancy law RCW 28A.225.030, the school/district are required to take specific actions when students are truant.

- Parents will be notified in writing or by phone after **one unexcused** absence in a month.
- A parent conference will be initiated after **three unexcused** absences in a month in order to improve the student's attendance.
- The parent and school must enter into a contract to improve the student's attendance after **five unexcused** absences in a month, or the case may be referred to a Community Truancy Board,
- The school district may file truancy petitions with the juvenile court after **seven unexcused absences** in a month, or **ten unexcused absences** in an academic year.

Discipline Process

Discipline (JG, JG-R)

To support safe, nurturing and productive learning environments, Lake Washington School District encourages schools to take an instructive, restorative and corrective approach in regards to student behavior. The goals of these approaches are to:

- correct inappropriate or unacceptable behavior;
- assist students in developing empathy for others;
- accept responsibility for their actions;
- develop the capacity to improve their behavior; and
- repair the harm caused as a result of their behavior.

Schools are encouraged to establish clear expectations for student behavior and methods for supporting students' ability to meet these expectations. When appropriate, schools may identify additional learning opportunities, which may support students' ability to meet expectations through a multi-tiered system of support.

When appropriate, schools are encouraged to support students in understanding harm that has been caused through a student's action, whether intentional or unintentional, and identifying the needs of the students involved. Efforts will be taken to both encourage accountability and responsibility by the author of those actions as well as to reintegrate all students into the school or classroom community. This approach may be supported by the use of restorative contracts, impromptu conferences, restorative circles, or formal conferences.

In those instances when discipline is needed, schools may consider both the severity and frequency of the behavior when determining which corrective action is most appropriate.

In the Exceptional Misconduct and Other Misconduct Codes, consequences are divided into three categories:

- **Minor/Initial** – The impact of the student's behavior is limited or minimal and/or this is the first such instance of this behavior by the student.
- **Moderate/Repeated** – The impact of the student's behavior has a broader or more disruptive impact and/or this is behavior that has previously been addressed with the student.
- **Severe/Persistent** – The impact of the student's behavior has a widespread or more significant disruptive impact and/or this is behavior that has not changed after multiple times of addressing it with the student.

Lake Washington School District reserves the right to immediately suspend or expel a student where exceptional misconduct is involved (i.e., conduct that is so frequent or serious in nature, in terms of the disruptive effect on the operation of the school, as to warrant an immediate suspension or expulsion). This may also apply to students who have committed serious violations or acts in the community and may pose a continuing threat of substantial disruption to other students at school.

The school's jurisdiction and authority include student conduct to and from school, at school, at bus stops, on busses, and at any school-sponsored activity. Also included in the school's jurisdiction is any off-campus student speech or activity that school authorities have reason to believe will have a disruptive effect upon the operation or the learning environment of the school or impinge on the rights of other students or staff at school.

General Guidelines

The District may administer suspensions and expulsions for behavioral violations. In responding to behavioral violations:

Parents should be involved early in efforts to support students in meeting behavioral expectations and resolving behavioral violations.

The student's individual circumstances and the nature and circumstances of the behavioral violation must be considered to determine whether the suspension or expulsion, and the length of the exclusion, is warranted.

Students must be provided an opportunity to receive educational services during a suspension or expulsion and should not be prevented from completing subject, grade-level, or graduation requirements as a result of discipline.

The principal or designee must report all suspensions and expulsions, and the behavioral violation that led to each suspension or expulsion, to the Superintendent or designee within twenty-four hours after the administration of the suspension or expulsion.

Reasonable efforts should be made to return the student to the student's regular educational setting as soon as possible and allow the student to petition for readmission at any time consistent with the section on readmission within this regulation.

Students may not be suspended or expelled from school for absences or tardiness.

Students may be denied admission to, or entry upon, real and personal property that is owned, leased, rented, or controlled by the district while under suspension or expulsion.

Students may return to their regular educational setting following the end date of the suspension or expulsion, unless an exception is made consistent with District policy.

Specific information regarding limitations and due process for student discipline can be found in District policy ([JG](#), [JG-R](#)).

Definitions

Discipline: Any action taken by the District in response to a violation of behavioral expectations (D).

Suspension: Denial of right of attendance in response to a behavioral violation from any subject or class, or from any full schedule of subjects or classes. Short-term suspensions (STS) are for no more than ten consecutive school days. Long-term suspensions (LTS) exceed ten consecutive school days.

Expulsion: Denial of admission to the student's current school placement in response to a behavioral violation (E).

Emergency Expulsion: The removal of a student from school because the student's presence poses an immediate and continuing danger to other students or school personnel, or an immediate and continuing threat of material and substantial disruption of the educational process. An emergency expulsion (EE) may be imposed to allow administrators to fully investigate the situation and impose any appropriate disciplinary or corrective action.

School Business Day: Any calendar day, exclusive of Saturdays, Sundays, and federal and school holidays, on which the Office of the Superintendent is open to the public for the conduct of business.

Student Searches ([JFG](#), [JFGA](#))

Administrators may make general searches of all student desks or storage areas without prior notice to students. An individual student, his/her property (including cell phones), locker, and vehicle parked on campus may be searched by school district employees if there is a reasonable, individualized suspicion the search is related to the discovery of contraband or other evidence of a student's violation of law or school conduct rules. Illegal items or other possessions reasonably determined to be a threat to the safety or security of others shall be seized by school authorities. Items that are used to disrupt or interfere with the educational process may be temporarily removed from a student's possession.

Drug Scenting Dogs

The purpose behind inspections by dogs is to discourage students from bringing, keeping, and/or using illegal drugs or weapons of any kind on school grounds. RCW 28A.600.210 authorizes administration to invite drug-scenting dogs to conduct suspicionless searches of school-issued lockers and the contents of those lockers on school property in order to protect students from exposure to illegal drugs, weapons and contraband.

Codes of Conduct

Exceptional Misconduct (JFC-R)

Any conduct that materially and substantially interferes with the educational process is prohibited. However, the following infractions have been judged so serious in nature and/or so serious in terms of disruptive effect upon the operation of the school(s) that students may be subject to an emergency expulsion and/or suspension (short-term or long-term) for a first time offense. Because each situation is handled individually, administrators have the discretion to use other alternative forms of discipline if they so decide. This may include restitution for property damage or loss, and/or restitution to victims if appropriate. All of the following acts listed below in the summary chart are specifically prohibited on school grounds, on school-sponsored transportation (including authorized school bus stops), at school events off school grounds, or off-campus if such conduct causes disruption at school. Law enforcement may be informed.

Athletic/Activities Code of Conduct

As members of a school team or WIAA sponsored activity that represents Lake Washington School District, students are expected to make a strong personal commitment to rules of training and conduct in order to maintain a strong, healthy body and represent their school in an exemplary fashion. To that end, the following rules apply to all students participating in interscholastic athletics/activities or attending a team-related activity such as out-of-season camps or tournaments. These rules will apply at all times throughout the school year, which is defined as beginning with fall tryouts to the last day of school, and includes any summer team-related activities. They will remain in effect for one calendar year from date of signature.

Illegal Controlled Substances, Alcohol, Legend drugs and Controlled Substances

Penalties for the possession, use or sale of legend drugs (drugs obtained through prescription, RCW 69.41.020-050) and controlled substances (RCW 69.50) shall be as follows:

1st Violation: A participant in possession and/or use of a controlled substance, and/or “legend drugs” including anabolic steroids, or alcoholic beverages shall be immediately ineligible for interscholastic competition in the current interscholastic sports program for the remainder of the season. This also includes attending and/or remaining at an event where it is reasonably known by those present that consumption any of the above mentioned substances by a minor(s) occurs. In this situation it is the responsibility of the student-athlete or student involved in the activities noted above to remove him/herself beyond all reasonable doubt and proximity from the situation. Ineligibility for possession or use shall continue into the next sports season in which the participant wishes to participate. In order to be eligible to participate in the next interscholastic sports season, the student athlete will meet with the school authorities. The school principal shall have the final authority as to the student athlete’s participation in the interscholastic sports program. A participant who seeks and/or receives help for a problem with use of legend drugs (RCW 69.41.010 identified substances) or controlled substances and controlled substance analogs (RCW 69.50.101 identified substances) will be given the opportunity for assistance through the school and/or community agencies. In no instance shall participation in a school and/or community approved assistance program excuse a student athlete from subsequent compliance with this regulation. However, successful use of such an opportunity or compliance with athletic code by the student athlete may allow him/her to have eligibility re-instated in the athletic program, after a minimum two-week suspension from competition and pending a recommendation by the school eligibility authority. Athletes may attend practices with Principal/Athletic Director approval but may not attend contests during the suspension period.

2nd Violation: A participant who again violates any provision of RCW 69.41.020 through 69.41.050 or of RCW 69.50 will be ineligible for interscholastic competition for a period of one (1) calendar year from the date of the second violation.

3rd Violation: A participant who violates for a third time RCW 69.41.0202 - 69.41.050 or of RCW 69.50 will be permanently ineligible for interscholastic competition.

Sale and/or distribution - per Lake Washington School District Policy, the sale and/or distribution of alcohol, or prescription or non-prescription drugs will result in the student automatically being placed on Step #2 of the Athletic/Activity Code.

Tobacco Products, Chemicals or Devices (e-cigarettes, vaporizers, cigarettes, chew, etc.)

1st Violation: The possession and/or use of tobacco products or chemicals, devices (e.g., e-cigarettes, electronic hookahs, vaporizers, etc.), or any other product that has a similar flavor or physical effect of nicotine substances will result in: 1. The student will be suspended for a minimum of one week of competition. 2. The attendance of a cessation class will be mandatory.

2nd Violation: 1. The student will be suspended for 10 weeks of competition. If there is not 10 weeks left in the current season the suspension will carry over to the next competitive season in which they are a returning athlete. 2. Before an athlete can again represent Lake Washington School District in athletics they must provide evidence of successfully completing a nicotine treatment program and proof that they have discontinued the use of tobacco products.

3rd Violation: A student athlete who violates for a third time will be permanently prohibited from participating in any WIAA member school athletic program or activity.

Conduct Rules

Students who commit unlawful acts or engage in delinquent behavior may be subject to disciplinary action up to and including suspension from the team. All Lake Washington School District athletes are expected to adhere to all Lake Washington School District policies as explained in each school’s Student/Parent Handbook. In addition to these general rules, coaches may establish other team expectations specific to their program.

Hazing Rituals

Hazing will not be tolerated in any form and is never to be part of our program. Acts of hazing can escalate to the point that the students participating are at risk. It is also quite possible that many acts of hazing will result in legal action being taken against the coach, advisor, student group leader, administration or the school district.

Any student who participates willingly in a hazing ritual is subject to disciplinary action, including suspension from school or the team or both, and possible legal action dependent on the severity of the incident.

Any student-athlete who observes and does not attempt to stop or report such a violation can also be subject to disciplinary action by the school. Repeated acts of hazing can result in further school action and permanent suspension from athletics.

Initiation ceremonies and rituals are different from hazing rituals as they are positive, open, and public events. Initiation ceremonies welcome new members to a team or group, promote bonding and orientation to the purpose, culture, and expectations of the team or group. The coach, advisor and parents are informed of the ceremony and invited to participate.

Parents/guardians who wish to contest discipline may submit a grievance to the school principal for an informal conference.

Technology Code of Conduct (IIAB-R)

Lake Washington School District provides a wide range of technology resources to its students and staff for the purpose of advancing the educational mission of the District. As users of District computers, students are expected to review and understand Appropriate Use Procedures (AUP).

As a condition of connecting personal equipment to the district's networks, the district reserves the right to gain access to the device for analysis to resolve any identified issues or threats.

1. Exercise good judgment and respect District property by demonstrating responsible use of technology.	2. Be a good digital citizen.

Bus Conduct (JFCC)

Lake Washington School District's school bus conduct policy and rules are in accordance with Washington State WAC's and RCW's, all of which will be enforced whether or not they are included in the following regulations. These regulations are designed to assure every student safe transportation to and from school and school-sponsored activities. Violation of these rules may be sufficient reason to discontinue bus-riding privileges for the student involved, and in certain cases could cause suspension from school.

Rules for passengers' conduct on school buses will be made available to each student at the beginning of each school year. These rules will also be posted in each bus. These rules and procedures also apply to students who ride charter buses or other contracted transportation provided by the school district. Safety may be compromised if the driver becomes distracted by students who violate the rules.

The bus driver has authority and responsibility for the behavior of passengers using school district transportation. Teachers, coaches, other certified staff members, or chaperones assigned to accompany students on buses have primary responsibility for the behavior of students in charge. However the bus driver shall have final authority and responsibility.

Corrective Action for Infractions of Established Bus Rules

Student misconduct on the bus or at the bus stop is sufficient reason to discontinue bus transportation privileges to those students involved. Infractions accumulate for the duration of the school year and range from warnings, detentions, and parent/guardian conferences to short-term suspensions or long-term suspensions from riding the bus. Serious infractions may result in immediate suspension of bus-riding privileges for the balance of the school year.

Suspensions will begin at the beginning of the next school day after the misconduct occurred. In other words, the student transported to school may be returned to his regular stop. Students may resume their bus riding privileges as soon as all disciplinary obligations have been met.

Grievance

Parents/guardians who wish to contest a suspension may submit a grievance to the school principal for an informal conference.

Safety expectations at the bus stop

- Arrive at the bus stop five minutes before the scheduled bus time.
- Do not stand or play on the roadway while waiting for the bus.
- Wait to board the bus in an orderly manner.
- Respect private property while waiting for the bus.

Safety expectations while riding the bus

- Cooperate with and obey the driver at all times.
- Be courteous, use no profane language—spoken, written, or gestured.
- Elementary and middle school students need to ride their assigned bus and get off at their assigned stop, unless they have a bus pass signed by the school (certain routes may not allow bus passes based on available seating).
- Keep their head, hands, feet, and belongings inside the bus at all times.
- Only consume food or beverage if the driver has given permission to do so.
- Windows may be opened six inches; however, close the windows if the driver asks that windows remain closed.
- Do not bring animals onto the bus (service-animals excepted).
- Keep belongings (backpacks) out of the aisle.
- Remain seated while the bus is starting, stopping, or otherwise in motion.
- If assigned a specific seat by the driver, sit in that seat at all times.
- Enter and exit the bus safely, crossing only in front of the bus and only with the consent of the driver.

Note: Exceptional Misconduct and Other Forms of Misconduct as identified early in this handbook apply to conduct on buses and at bus stops.

Corrective Action for Students Enrolled in Special Education

Discipline for students enrolled in special education will be consistent with the Individuals with Disabilities Act (IDEA). Students with disabilities can be disciplined for misconduct while being transported. A disabled student can be suspended for up to 10 cumulative days a year without a change in placement. The district is required to provide some form of transportation unless the student is a danger to himself or others.

A meeting may be called with the principal and parents/guardians to discuss the incident and determine corrective measures. If the incident presented an immediate danger to the student or others, alternative transportation and/or suspension may be possible. If the behavior continues, additional meetings may be held with the principal, special education services and parents/guardians. The IEP may be reviewed and updated. Suspension (up to 5 days) of transportation services, change of bus route, and assignment of a monitor, alternative transportation, and counseling may be considered as action required.

In the event of multiple infractions, a meeting will be held by the principal with the transportation department representatives, special education services, and the parents/guardians. If the student has been suspended a total of 10 days from regular transportation services, alternative transportation services should be reviewed. If there is a change in placement, the student is allowed another 10 days cumulative suspension from transportation services.

Special Education and Preschool Drop-Off Procedure

A parent or guardian must be present when special education and preschool students are dropped off. Parents are to provide the driver with a list of adults approved to receive their student. Exception: with written approval by the parent and school, a special education student may be dropped off without an adult present.

Securing of Special Education and Preschool Students

If a student is required to be secured in the bus, it is the parents/guardians responsibility to load and secure their student going to school and to unsecure and unload their student when arriving at home.

Emergency Evacuations

Every child who rides a school bus should know what to do should it ever become necessary to evacuate the bus quickly and safely. Usually, students remain on the bus during an emergency; however, the bus will be evacuated in the event of fire/danger of fire or in the event the bus is stopped in an unsafe position, such as on or adjacent to railroad tracks. Students will participate in emergency evacuation drills within the first six weeks of each semester with a verbal review by the driver between drills. Students who are unable to participate in the emergency exit drill will receive oral instructions on how to exit.

Visit the district's [Transportation](#) web page for more information.

Harassment, Intimidation and Bullying (JFD, JFD-R)

According to the Drug-Free Schools and Communities Act, schools must be totally free of unlawful drugs or alcohol. No one is allowed to possess, transfer, sell, use, solicit, or distribute tobacco, drugs, or alcohol while at school or while taking part in any school sponsored events or activity. Drugs include inhalants, prescription drugs beyond a daily dose, over the counter drugs in quantities or mixtures that are suspect and capable of causing serious harm, or any illegal or other substance representative as such.

Dangerous Weapons (JFCJ)

The safety of students and staff in our schools is paramount. As such, it is a violation of district policy and state law for any person to carry a firearm or dangerous weapon on school district premises, school-provided transportation or areas of other facilities being used exclusively for school activities.

Weapons prohibited by this policy include firearms, as defined under federal and state law, explosives, items capable of causing bodily harm, and objects, including toy weapons or look-alikes, that appear to be weapons or that can be used to cause bodily harm, regardless of size. Dangerous weapons are defined by state law as firearms, sling shots, sand clubs, stun guns, metal knuckles, certain knives, "nun-chu-ka" sticks, "throwing stars," and air guns, including BB guns and paintball guns. Weapons apparently capable of producing bodily harm are also prohibited as defined in RCW 9.41.270 as now or hereafter amended. Laser pointing/projecting devices are also prohibited for student use or possession.

Fake weapons or props for District-approved activities such as school plays or assemblies, approved presentations or military displays, and starter pistols used for sports activities, are permitted with prior approval of the building principal. The fake weapons or props may not be capable of firing any projectiles, must be under the control or supervision of the adult activity sponsor, and must be locked up when not in use for the activity.

Under RCW 9.91.160, it is unlawful and a violation of this policy for a person under eighteen years of age, unless the person is at least fourteen years old and has with written parental or

guardian permission, to possess personal protection spray devices on school district property. Providing or transferring a personal protection spray device to someone who is prohibited from possessing such a device is also a violation of this policy. Any use of a personal protection spray device must be consistent with RCW 9A.16.020.

Any student found to have in his or her possession, or in his or her desk or locker, or on school district premises, any dangerous weapon or replica of a dangerous weapon defined in RCW 9.41.270 may be subject to parent notification, police contact, suspension, emergency expulsion or expulsion. In instances involving a firearm, students will be subject to a one-year expulsion.

Other Policies

Health Room/Medication ([JHCD](#), [JHCD-R](#))

District nurses are assigned to multiple schools and are not assigned to a specific campus. If a student feels ill during the school day, the teacher may give permission for the student to go to the office. The secretary or trained volunteer will take the student's temperature. If the student's temperature is 100 degrees or higher, the parent will be called to arrange transportation home. If a student does not have a temperature but feels seriously ill, the parent will also be called to arrange transportation home.

Parents should inform the school on the Nurse Alert form if their child has a serious/life threatening health condition. Some examples of life threatening health conditions are diabetes, seizures, severe allergies, asthma and/or a cardiac condition. This list is not all inclusive.

The Lake Washington School District's medication policy states that medication will be administered between 11:00 a.m. and 1:00 p.m. daily. Exceptions require nursing approval. Medications that are given three times a day (antibiotics) should be given at home in the morning, afternoon, and evening. Students may not medicate themselves unless the health care provider indicates that they may do so. This must be documented on the student's medication order. Should medication need to be administered at school, parents must have their child's health care provider sign the Lake Washington School District medication form (#4023), provide a separate prescription pharmacy bottle labeled by the pharmacist (handwritten labels will not be accepted); and bring the pharmacy bottle with the exact amount of medication needed for the designated time period (no more than one month at a time) to school. The parent must pick up any unused medication by the last day of school.

Child Find ([IGB-R](#))

Child Find is a federal requirement for the purpose of locating, evaluating, and identifying students age birth to 21 years with a suspected disability who reside within the boundaries of Lake Washington School District and are currently not receiving special education services. Child Find services are conducted throughout the year in Lake Washington School District

through the guidance team process. If you or your parents have concerns about your language/communication skills, motor skills, intellectual, social, emotional, and/or physical skills, please contact the school and ask for the special education teacher, school psychologist, or other guidance team member. You may also call the Special Services main office at 425-936-1201 or the District Child Find office at 425-936-2760 to request Child Find information.

Enrollment/Inter-District Transfer Agreements and In-District Variances ([JC](#), [JC-R](#), [JECB](#), [JECBC](#))

Students in Washington state may apply for an Inter-District Transfer Agreement to attend a school in a different school district or may apply for an In-District Variance for attendance in another, non-resident school within the Lake Washington School District. Both Inter-District Transfer Agreements and In-District Variances are determined on a space-available basis. Refer to our school district website for timelines and processes.

Student Records/Family Educational Rights and Privacy Act ([JO](#))

The Lake Washington School District is required to protect families from unauthorized release of certain information about its students. However, directory information may be released without permission of parents unless parents register their objection prior to September 15 of each school year.

Directory information is routinely used by the District in news releases, school event programs, and student directories. Such information is also released for the purposes of providing educational, scholarship, vocational/occupational, and/or military information (or to the news media or law enforcement). This information will not be released for commercial purposes. For more information, consult the Parent Information Booklet distributed at the beginning of the school year.
